

CUSTOM OPTICAL PHANTOM ORDER INFORMATION

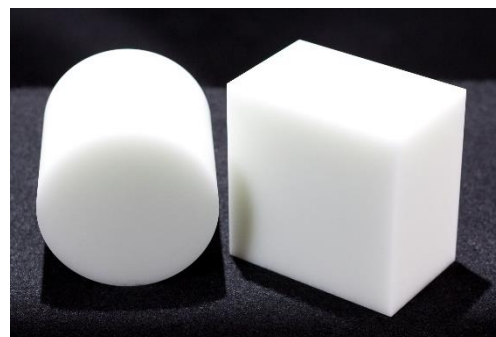

NAME:

TELEPHONE:

E-MAIL:

COMPANY NAME:

ADDRESS:

Rectangular and cylindrical
Biomimic™ optical phantom

The following information will be used to provide you with a quotation.

Qty: _____

OP- HBO- ☐ - ☐ ☐ ☐ - ☐ . ☐ ☐ - ☐ ☐

Geometry:
Rectangular or Cylindrical or Other* : R /C

SHAPE: _____ SIZE (cm): _____

λ REFERENCE
450-850 nm

μA AT REFERENCE λ :
0.05-1 cm^{-1} (1)

$\mu S'$ AT REFERENCE λ :
5-25 cm^{-1} (2)

CHARACTERIZATION

Characterization at reference wavelength is included.

Extra wavelength characterization: _____

Please send this order information form for a quotation.

Guarantee: As part of our fabrication process, we verify the optical properties of the phantoms against the design values specified. We guarantee a precision between $\pm 10\%$ and $\pm 30\%$, depending on the combined absorption and scattering properties selected. Values in the available ranges extremes (1,2) limit our characterization process.
