

CUSTOM OPTICAL PHANTOM ORDER INFORMATION

NAME: _____ COMPANY NAME: _____
 TELEPHONE: _____ E-MAIL: _____
 ADDRESS: _____

Please send this order information form for a quotation.

biomimic@INO.CA

Qty: _____ OP-HBO _____

Geometry:
 Rectangular or Cylindrical or Other*: R / C _____

SHAPE: _____ SIZE (cm): _____

λ REFERENCE 450-940 nm _____

μA AT REFERENCE λ : _____
 0.05-1 cm⁻¹ (1)

$\mu S'$ AT REFERENCE λ : _____
 5-25 cm⁻¹ (2)

Rectangular and cylindrical Biomimic™ optical phantom

CHARACTERIZATION

Characterization at reference wavelength is included.
 Extra wavelength characterization: _____

Guarantee: As part of our fabrication process, we verify the optical properties of the phantoms against the design values specified. We guarantee a precision between ±10% and ±30%, depending on the combined absorption and scattering properties selected. Values in the available ranges extremes (1,2) limit our characterization process.
